Audit Report and Audited Financial Statements

For the year ended 30 June 2025

### Khan Wahab Shafique Rahman & Co.

CHARTERED ACCOUNTANTS SINCE 1968

## INDEPENDENT AUDITOR'S REPORT TO THE SHARE HOLDERS OF Index Agro Industries Ltd.

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### **Qualified Opinion**

We have audited the accompanying financial statements of **Index Agro Industries Ltd.** (the Company), which comprise the statement of financial position as at 30 June 2025, and statement of Profit or Loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of **Index Agro Industries Ltd.** as at 30 June 2025, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994, the Securities and Exchange Rules 2020 as amended up to date and other applicable laws and regulations.

#### **Basis for qualified Opinion**

1. The company has a balance of Tk 17,368,754 and Tk. 5,477,757 excess respectively in advance income tax and provision for income tax than presented in the financial statements which can be adjusted in the later years.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in jurisdictions, and we have fulfilled our other ethical responsibilities in accordance these requirements and with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Emphasis of Matters**

We draw attention to the following:

- a. Attention is drawn to the fact that X-ceramics Limited has shared a profit of BDT 14,959,274 with Index Agro Industries Limited during the year. However, the financial statements of X-Ceramics Limited have not yet been audited.
- b. An amount of Tk. 107,502,255 has been lying in the balance of Workers' Profit Participation Fund (WPPF) Payable which the company will transfer to the respective WPPF trustee account as disclosed in note 20.03 03 to the financial statements.
- c. We are yet to receive confirmation for complete receivable amount. The management maintains expected credit loss provision based on management policy which need to be updated.

Our opinion is not modified in respect of these above matters.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have fulfilled the responsibilities described in the Auditors' Responsibilities of audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risk of material misstatements of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

We have determined the following key audit matters to communicate in our report.

#### **Revenue and Receivables**

The Key Audit matter

The Company is engaged in manufacturing and marketing of poultry feed, fish feed, and Day-Old Chicks (DOC). During the year ended 30 June 2025, the Company reported revenue of **Tk. 4,410,237,259** (2023-24: Tk. 4,281,254,785) and trade receivables of **Tk. 928,619,257** (2023-24: Tk. 811,183,427).

Revenue recognition is significant to the financial statements as it directly affects profit, and involves risk of misstatement due to the high volume of transactions, credit sales, and potential cut-off issues near the year-end.

Trade receivables are also material and subject to management judgment in assessing collectability and provisioning for doubtful debts, particularly given the sales made on credit to dealers and distributors.

How the scope of our audit responded to the key audit matter:

- 1. We obtained an understanding of the Company's revenue recognition policies and evaluated whether they comply with the applicable financial reporting framework.
- 2. We performed detailed substantive testing on sales transactions during the year and near year-end to assess proper revenue cut-off.
- 3. We tested credit sales, discounts, and returns to verify that revenue was recorded in the correct accounting period.
- 4. We assessed the reasonableness of the allowance for doubtful debts through analysis of aging of receivables, subsequent collections, and historical default trends.
- 5. We evaluated the adequacy of disclosures relating to revenue recognition and trade receivables in the financial statements.

#### **Inventory and Cost of Goods Sold**

#### The Key Audit Matter

As at 30 June 2025, the Company's inventory amounted to Tk. 2,787.65 million (2024: Tk. 2,673.07 million), representing a significant portion of total assets. The Company is engaged in the manufacturing and marketing of poultry feed, fish feed, and producing Day-Old Chicks (DOC). Due to the nature of the business, inventory valuation involves significant judgment regarding raw material cost, production overhead allocation, and net realizable value determination. Furthermore, the measurement of Cost of Goods Sold (COGS) amounting to Tk. 3,511.19 million (2024: Tk. 3,523.18 million) is directly linked with inventory valuation and consumption records. Any misstatement in inventory may materially affect the reported profitability.

How the scope of our audit responded to the key audit matter:

- Obtaining an understanding of the inventory management and costing system.
- 2. Evaluating the appropriateness of the Company's accounting policy for inventory valuation (weighted average method).
- 3. Performing test checks of raw materials, work-in-progress, and finished goods to verify existence and valuation.
- 4. Assessing the reasonableness of production overhead allocations.
- 5. Comparing the net realizable value of selected finished goods to recent selling prices to identify any potential obsolescence or overvaluation.
- 6. Reviewing COGS computation and analytical comparison with prior year and production trends.

#### Property, plant and equipment

#### The key Audit Matter

As at 30 June 2025, the Company's Property, Plant and Equipment (PPE) amounted to **Tk. 1,466.73 million (2024: Tk. 1,496.20 million)**. The Company is engaged in the manufacturing and marketing of poultry feed, fish feed, and producing Day-Old Chicks (DOC), which requires significant investment in factory buildings, production machinery, hatchery equipment, and related installations. Determining the appropriate useful lives, residual values, and

depreciation rates involves management judgment and estimation. Any incorrect estimation may materially affect the carrying value of PPE and the reported profit or loss of the Company.

How the scope of our audit responded to the key audit matter:

Our procedures in relation to the depreciable lives of the property, plant and equipment included:

- 1. Reviewing the Company's accounting policy for recognition, measurement, and depreciation of PPE to assess compliance with IAS 16 *Property, Plant and Equipment*.
- 2. Verifying additions during the year through inspection of supporting invoices, capital work-in-progress schedules, and physical observation where applicable.
- 3. Evaluating the reasonableness of management's estimation of useful lives and depreciation rates applied to major classes of assets.
- 4. Performing analytical review of depreciation expenses compared to the prior year and production capacity utilization.
- 5. Assessing whether any indication of impairment existed as of the reporting date.

#### **Advance income Tax**

The Key Audit Matter

As at 30 June 2025, the Company has recognized Advance Income Tax (AIT) amounting to Tk. 100,824,167 (2024: Tk. 82,484,587) and provision for income tax amounting to Tk. 101,701,029 (2024: Tk. 88,997,796). Recognition and measurement of income tax expenses and related balances require significant management judgment in estimating taxable income, allowable expenses, applicable tax rates, and adjustment of advance tax payments. Considering the volume of transactions arising from manufacturing and marketing of poultry feed, fish feed, and production of DOC, and frequent changes in tax laws applicable to such industries, there is a higher risk of material misstatement relating to the accuracy and completeness of tax liabilities and assets.

How the scope of our audit responded to the key audit matter:

- 1. Reviewing the tax computation prepared by management and verifying compliance with the Income Tax Ordinance, 1984.
- 2. Comparing current tax provision with previous years and assessing reasonableness of major fluctuations.
- 3. Checking the reconciliation between Advance Income Tax (AIT) and corresponding provisions to confirm appropriate set-off.
- 4. Examining correspondence with tax authorities and reviewing assessments or pending litigation, if any.
- 5. Evaluating management's judgment regarding recoverability of AIT and adequacy of provision for tax liability.

#### Long Term Loan

The key Audit Matter

As at 30 June 2025, the Company has a long-term loan balance of Tk. 239,976,532 (2024: Tk. 405,737,744). The long-term loan represents a significant source of financing for the Company's operations, including manufacturing and marketing of poultry feed, fish feed, and production of DOC. Proper classification between current and non-current portions, accurate measurement of principal and interest obligations, and disclosure of related terms (such as covenants, repayment schedules, and interest rates) require significant management judgment. The decrease in long-term loan balance compared to the prior year reflects repayments and/or restructuring, which also requires careful audit assessment to ensure completeness and accuracy.

How the scope of our audit responded to the key audit matter:

- 1. Reviewing loan agreements and repayment schedules to verify the classification and terms of long-term loans.
- 2. Inspecting supporting documents for disbursements, repayments, and interest calculations.
- 3. Assessing management's judgment regarding current versus non-current portions of the loan.
- 4. Checking compliance with covenants and any events of default, if applicable.
- 5. Confirming balances directly with lenders to ensure accuracy and completeness.

#### Investment

The key Audit Matter

As at 30 June 2025, the Company holds investments amounting to Tk. 297,568,819 (2024: Tk. 329,222,038). Investments represent a significant portion of the Company's assets and may include related-party holdings. Accurate valuation, existence, and disclosure of these investments require significant management judgment, particularly in determining fair value, impairment, and recoverability, given fluctuations in market conditions and potential risks in the poultry feed, fish feed, and DOC production sectors.

How the scope of our audit responded to the key audit matter:

- 1. Inspecting investment agreements, confirmations, and supporting documents to verify existence and ownership.
- 2. Assessing management's valuation methodology, including consideration of market prices, impairment indicators, and recoverability of related-party investments.
- 3. Evaluating the adequacy of disclosures in the financial statements in accordance with relevant accounting standards.
- 4. Performing analytical procedures to identify significant fluctuations or unusual transactions.

#### Other Information

Management is responsible for the other information. The other information comprises all of the information other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to the board of directors of the Company.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, the Companies Act 1994, the Securities and Exchange Rules 2020 as amended up to date and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Wata Chemicals Limited ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Index Agro Industries Ltd. or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements,
  whether due to fraud or error, design and perform audit procedures responsive to
  those risks, and obtain audit evidence that is sufficient and appropriate to provide a
  basis for our opinion. The risk of not detecting a material misstatement resulting from
  fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management but not for the purpose expressing an opinion on the effectiveness of the company's internal control.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the company's financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the
  entities or business activities within the Company to express an opinion on the
  financial statements. We are responsible for the direction, supervision and
  performance of the company audit. We remain solely responsible for our audit
  opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in

our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other Legal and Regulatory Requirements**

In accordance with the Companies Act 1994, the Securities and Exchange Rules 2020 as amended up to date and other applicable laws and regulations, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof except those mentioned in the basis for qualified opinion para of our report;
- b) in our opinion, proper books of accounts as required by law have been kept by the company so far as it appeared from our examination of these books except those mentioned in the basis for qualified opinion para of our report;
- c) the statements of financial position and statements of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of accounts and returns except those mentioned in the basis for qualified opinion para of our report; and
- d) The expenditure incurred and payments made were for the purposes of the company's business.

The company has adequate resources to continue its operation for the foreseeable future. As such, the directors intended to adopt the going concern basis in preparing the financial statements. The current credit facilities and resources of the company provides sufficient fund to meet the present requirements of its existing business.

#### 3.0 Significant Accounting Policies

The accounting policies set out below have been applied consistently through out the period presented in these financial statements.

#### 3.01 Property, Plant and Equipment

#### a) Recognition and Measurement

In compliance with IAS-16 "Property, Plant and Equipment": items of property, plant and equipment (PPE), excluding land are initially measured at cost less accumulated depreciation and accumulated impairment losses, if any. Land is measured at cost. The cost of an item of PPE comprises its purchase price, import duties and non-refundable taxes, after deducting trade discount and rebates and any costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the intended manner.

#### b) Capitalization of Borrowing Cost

Borrowing costs that are directly attributable to acquisition/construction of plant and machinery and civil construction are included in the cost of those plant & machinery and construction in compliance with IAS - 23 "Borrowing Costs". In this year no borrowing costs have been capitalized under acquisition/construction of plant and machinery and civil construction.

#### c) Subsequent Cost

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The costs of the day to day maintaining cost on PPE are recognized in the Statement of Profit or Loss and other Comprehensive Income as incurred.

#### d) Revaluation of Fixed Assets

Financial statements of the company have been prepared on historical cost price basis. However, the prices of Building & Civil construction have been increased substantially during the last few years due to high inflationary trend. In this circumstance, management of the Company has decided to determine fair market value of the said assets through revaluation. KaziZahir& Co., Chartered Accountants has revalued the assets of the company as of 15.06.2011, following "current cost method". Such revaluation resulted in a valuation surplus aggregating of Tk. 57,168,989.

The prices of Land & Land Development have been increased substantially during the last few years due to high inflationary trend. In this circumstance, management of the Company has decided to determine fair market value of the said assets through revaluation. Mahfel Huq & Co, Chartered Accountants has revalued the assets of the company as of 01.06.2023, following "Fair market value method". Such revaluation resulted in a valuation surplus aggregating of Tk 474,645,569.

#### e) Depreciation and Amortization

No depreciation has been charged on land but depreciation is charged on land development worth Tk. 8.49 lac at 5% rate.

Depreciation is recognized in the Statement of Profit or Loss and other Comprehensive Income on a reducing balance method on all items of property, plant and equipment. Deprecation on addition of fixed assets charged when the assets are available for use.

The cost of Day Old Chickens (DOC) and Operating Cost of DOC, i.e. rearing cost have been accumulated as unallocated revenue expenditure. It takes 6-month to turn up the DOC into Parent Stock for laying egg. In addition, Parent Stock's cost and rearing cost have also been accumulated as unallocated revenue expenditure. On an average parent stocks lay 180 eggs in 7-month period of time. Later total unallocated revenue expenditures have been amortized on the basis of productivity, i.e. 180 eggs in 7-month. For simplicity it has been amortized on straight line basis of 7-month.

Parents stock (DOC) are imported and raear in a biosecured environment. The farms are tempareture and humidity controlled and confined to prevent diseses. Qualified veterinarians supervise the growth and health condition of the parents stock. The laying parent stock are not sold due to health condition and biosecurity. In Bangladesh there is no market of laying parent stock. For these reasons the fare market value of parents stock can not be realibalely measured. We valued parents stock at cost minus accumulated amortization. The salvage value of parent stock is negligible amount, so we don't consider the salvage value in calculating amortization cost.

The estimated useful rate of PPE for the current year as follows:

Name of the assets	As at 30 June, 2025 (in %)	As at 30 June, 2024 (in %)
Land Development	5	5
Building & Civil construction	. 5	5

The balance represents contribution to Workers' Profit Participation Fund by the Company in accordance with Bangladesh Labour Act, 2006 (Amendment 2013) for the year ended June 30, 2025. Due to constrant of cash flow in the poultry sector over the past few years, the Company was unable to transfer the entire provisioned amount to the Workers' Profit Participation Fund (WPPF) account. As of June 30, 2025, the closing balance stood at Tk. 107,502,255, out of which Tk. 20,500,000 has already been transferred to the designated WPPF bank account on October 23 and October 26, 2025. The management has decided to take appropriate measures to transfer the remaining provisioned amount to the WPPF account and to ensure its timely disbursement among eligible employees within the next couple of years.
